Dear Friends,

The Sag Harbor Booster Foundation's mission is to enrich the lives of the children of the Sag Harbor community by providing funding and support for activities in the Arts, Theater, Robotics, and Athletics.

Since our founding in 2010, we have been fortunate to return 100% of your generous donations directly to our programs to benefit the children of the Sag Harbor School District. However, the 2020/2021 school year has continued to be especially challenging for everyone. Like many non-profit organizations, we have to rethink our major fundraising events and return to grassroots efforts to continue our mission.

As our students begin to return to athletics and extracurricular activities, we are committed to funding our programs as fully as possible. We will continue to fulfill funding requests from teachers, coaches, and community leaders for various school clubs, field trips, and specialty athletic events, many of which will not be covered by the school budget.

Here are a few of the school programs that we have sponsored or have benefited from our grants:

- ❖ Broadway Theater Experiences for the High School Chorus*
- ❖ Team 28 Robotics Club to help finance their participation in their annual competition*
- ❖ Spirit Night at the Pierson Gym, Basketball Concession Stands, and Spirit Apparel*
- ❖ Summer baseball league*
- ❖ Annual Scholarship Program for Seniors*
- ❖ Annual Scholarship Program for College Prep Expenses for Juniors and Sophomores*
- ❖ Annual participation in HarborFest to raise funds and sell spirit apparel*

As you consider your annual donations for 2021, we are hoping that you will support the Sag Harbor Booster Foundation. Your individual donations will allow us to continue to directly provide these benefits to the kids of the Sag Harbor Community. We encourage you to visit our website for more details about our many past contributions to our local community.

Please send your tax deductible donations to the Sag Harbor Booster Foundation, PO Box 345, Sag Harbor, NY 11963. Thank you for your continued support for the children of the Sag Harbor community!

Sincerely,

The Sag Harbor Booster Foundation Board

Founded in 2010, the Sag Harbor Booster Foundation is a parent and community based non-profit 501(c)3 organization dedicated to supporting and promoting activities, events and programs for the benefit of the students of the Sag Harbor School District and Community.
